**TO WHOM IT MAY CONCERN:**

**MFESI CLEANING SERVICES**

Mfesi Cleaning Services provided cleaning service to Ballito Junction Shopping Centre from July 2008 until 18 November 2011.

During this period Mfesi provided excellent service. The staff on site always operated in an efficient and professional manner. A good working relationship existed between centre management and Mfesi Cleaning Services facilitated by open communication and a good work ethic from Jannet and her team at Mfesi.

We will gladly recommend Mfesi Cleaning Services to any site requiring professional cleaning service.

Kind regards,

Jani Scheepers
